

A Heartway Seminar Workshop . . .

CREATING CLOSENESS

with Self, God and Others

Our lives revolve around our relationships with ourselves and others. Unfortunately we too often find ourselves feeling disconnected from the significant people in our lives and it can leave us feeling empty.

If you find that your relationships could use some adjusting, come join us for an awesome 2 ½ day workshop that can help you create the quality of relationships that you desire with yourself, your significant others and God.

Workshop Focus

- What do people look for in relationships?
- What does it take to maintain love?
- What are the fears that paralyze or sabotage us?
- What early-life decisions secretly govern our rules for living?
- This seminar is experiential in nature.

COME JOIN US – OPEN YOUR HEART AND FIND YOU!

Bring with you: A covered water bottle, a notebook, and a picture of someone you have unresolved issues with (not yourself or God.) Be prepared to go out for working lunch and dinner breaks.
